I researched City Real Estate Investments, the property upon which the Post Office is located. The search comes back to Mark Gabay, a Persian owner. 9171 Wilshire Blvd, Penthouse Beverly Hills, Ca. Google The Charles Company.

Perhaps Marc Tavakoli is a way to contact them.

Vicente Aguel is another way to contact this owner.

Surely the Post Office is on a NNN lease, and therefore, pays the assessment, so the property owner should have no reason to not sign our Petition.
